The University of Scouting Program

Every Scout Deserves a Trained Leader...

The University of Scouting offers the widest variety of Scout Leader training in the Georgia-Carolina Council. It is our goal to provide useful and **fun** supplemental training for leaders of each Scouting program. Our goal is to provide timely, relevant training that will assist you in your efforts to provide quality Scouting programs to the youth of the CSRA.

The University offers opportunities for all adult leaders, from newly recruited leaders to veteran Scouters, to learn new skills and to update you on the latest changes on specific topics.

2020 Colleges of the University

This year, all Colleges will offer Degree programs: Cub Scouting, Scouting-BSA and Commissioner Science. All classes in the College of General Education and Leader Position Specific Training can be used as core courses to earn degrees in any of the colleges. This should give each participant the opportunity to gain experience in other Scouting programs, while still earning credits toward a degree!

Lunch: Lunch is covered in the price of admission. During lunch the Council Key 3 will be presenting a briefing on the state of the council. We will also have a presentation on the Sea Scout program. Participants are encouraged to take advantage of this convenience and enjoy the camaraderie of their fellow Scouters. The lunch menu will have options for special dietary needs.

If you have questions about University of Scouting, please send your inquiries to the **Dean of the college (see course catalog)**. For those without email, you may request a return call from a University of Scouting staff member by contacting the Chancellor at 706-831-3825.

I look forward to seeing you at the University of Scouting on February 1, 2020!
