Dear **Bear Den Leaders** and **Webelos Den Leaders**,

Welcome to Webelos Resident Camp at Camp Daniel Marshall. Webelos Resident Camp is geared toward Webelos Patrols camping with two or more adult leaders. Webelos is the first step towards Boy Scouting and the implementation of the Patrol Method. During your stay at camp, emphasis will be placed on working together as a Patrol. Each Patrol will select morning and afternoon activities to participate in as a Patrol. Registration as a Patrol is critical to your Webelos success during your stay at Webelos Resident Camp.

**If your Den is not planning to attend, you can come with a parent and join our double extra special Provisional Patrol!!**

So talk to the rest of your den, and get them excited. Now that you and your Webelos den are signed up, get ready to enjoy an amazing time at Camp Daniel Marshall as we explore Myths and Legends! The staff has worked very hard to make sure that you and your Patrols have the experience of a lifetime at Webelos Resident Camp 2018.

Please take time to read through this Leaders Guide. It spells out what you will need to do while planning for a great stay at camp and what you and your Webelos Scouts can expect once you arrive at camp. Some forms will need to be completed and returned to the Camp Director before you come to camp. Make sure that every leader or parent that will be attending camp has had the opportunity to read this guidebook. This guidebook is available on the website at [www.gacacouncil.org](http://www.gacacouncil.org).

Scouts will get a chance to spend time in larger groups as well and have some quality time with their friends in their Patrol. Meals will be served cafeteria-style in the dining hall. Like Boy Scouts at summer camp, Webelos will work together to share campsite duties.

This year's theme at Knox Scout Reservation is Myths and Legends. During each of the sessions, activities and events will be developed around a variety of well-known myths and legends.

Webelos Patrols will work on three Webelos Adventures in the morning and one in the afternoon. Also in the afternoon, Patrols will choose from a list of fun activities including swimming, boating, shooting sports, and other Webelos age appropriate activities. If there are any questions you have about our program or how to attend Webelos camp, please do not hesitate to email me at [sheiladzimmerman@gmail.com](mailto:sheiladzimmerman@gmail.com) or contact the council service center at: (706) 733-5277.

I look forward to a fun-filled stay with you and your den this summer at Knox Scout Reservation.

Sheila Zimmerman  
2019 Camp Director

# Camp Policies

## **Registration/Insurance**

In accordance with National Policy, every Scout and Scouter that attends Webelos Residential Camp must be registered with the BSA and certified on the den roster. The Georgia-Carolina Council provides council-wide accident and sickness coverage for all registered Scouts and Scouters from the Georgia-Carolina Council.

## **Immunizations**

The State of Georgia Immunization Unit requires that all attendees have adequate immunizations. Not all youth are protected against preventable diseases such as measles, mumps and rubella. Those immunizations listed on the BSA medical forms must be obtained and documented before arrival at camp.

## **Medical Forms**

All Webelos and leaders are required to bring a copy of their BSA Annual Health & Medical Record. Parts A, B, and C are required and must be complete within the previous 12 months. Use BSA Form #680-001. All medical forms are submitted to the Camp Health Officer upon arrival at camp check-in. Medications are the responsibility of the Unit, however secured refrigeration is provided with the Camp Health Officer.

## **Tobacco Products**

In accordance to the national policy of the BSA, adults are asked to use discretion when using tobacco products and should avoid using them in the presence of campers. Smoking is not permitted in camp buildings nor is the use of tobacco products by those under the age of 18.

## **Controlled Substances**

In accordance with the national policy of the BSA, alcohol and illegal drugs are not permitted on camp property. Discovery of these items will result in immediate dismissal from the property and/or criminal prosecution.

## **Firearms**

BB Guns and Bows are available at the camp for using in the Shooting Sports area. Personal bows, shotguns and other firearms are not allowed on camp property.

## **Footwear**

Except when at the swimming or boating area or when taking a shower, closed toe and heel shoes must be worn in camp. No sandals or flip-flops. **(We strongly suggest firm bottomed swim shoes for aquatic based activities)**

## **Uniforms**

In an effort to instill a sense of pride in his uniform, each Scout should arrive at camp in a Webelos Scout uniform. Everyone should wear the complete Webelos Scout uniform (Class A) to check-in, dinner meals and campfires

## **Electronic Devices**

Radios, video games, and other electronic nuisances are prohibited in program areas. Electronic use in the campsites are at the discretion of the Unit Leader.

## Visitors/Volunteers

All visitors/volunteers must check in at the camp office upon arrival on the property. All volunteers must be approved by the camp director or a designee.

### Leaving Camp

Anyone, Scout or leader, who leaves the camp property, must checkout with the camp office. If a Scout is planning to leave camp, the "Permission to Leave Camp" section of the "Individual Webelos Camp Application Form" (see Appendix) should be on file in the camp office in order to facilitate a speedy checkout. Please, advise all parents that they will have to provide identification when checking a Scout out of camp. Please understand that we will need for you (the unit leaders) to be present at this time to verify that the Scout is allowed to leave with this specific person, even if they are the parent.

### Meals

Meals are served cafeteria style three times daily and are well balanced nutritious meals. Any dietary restrictions or requests (for health or religious reasons only) should be noted on the registration form.

### Buddy System

The buddy system is simply a pairing of boys that go to places together. The buddy system should be used at all times during camp. Everywhere the boys go they should be with their buddy, and an adult leader. No Webelos Scout should be seen alone in camp when away from his group.

### Pets

Pets are NOT allowed at camp. Please, for the safety of other campers and the pet, leave them at home. No Exceptions unless medically cleared.

## YOUTH PROTECTION

The following policies have been adopted to provide additional security for the youth in the program. They provide protection for the adult leadership, restricting situations in which there may be vulnerability to allegations of abusive behavior. Make sure that all Adults attending Camp with your Unit are familiar with all the BSA Youth Protection Policies.

**Two-Deep Leadership:** Two registered adult leaders or one registered adult leader and a parent of a participant, both of whom must be 21 years of age or older, are required on all trips and outings. The charter organization is responsible for ensuring that sufficient leadership is provided for all activities. If special provisions are required, unit leadership MUST make arrangements with the Camp Director BEFORE camp arrival.

**No one-on-one contact:** One-on-One contact between adults and youth is not allowed. In situations requiring a personal conference, the meeting will be conducted in full view of other adults and youth.

**Respect of Privacy:** Adult leaders must respect the privacy of Scouts, such as changing into swimsuits or taking showers at camp. Adults may intrude only to the extent that health and safety is at risk. Adults are responsible to protect themselves in similar situations.
