

## GA-CA Council Shooting Sports Event Approval/Support Request

This form is used to request Shooting Sports Committee (SSC) approval to execute and/or request support for a Shooting Sports event within the Georgia-Carolina Council. All requests should be submitted at least 60 days prior of the event. This timeline allows the SSC to gather the required personnel to adequately support, if requested, to validate the plan, and to ensure the event is planned with the appropriate measures in place for participants to safely enjoy the event. Attach additional pages as required. The Lead Instructor/RSO/Range Master must provide a completed Risk Assessment to accompany this request. Cub Scout shooting sports events are restricted to Council/District events and not held at the Pack/Multi-Pack/Den level.
