

Georgia-Carolina Council Scouts BSA Shooting Sports Instructor Commitment

Many Scout Leaders and NRA/USA Archery Instructors are committed to serving in an ongoing manner within their units, districts, and council spending many hours each month in service. This is greatly appreciated. However, there are leaders and instructors who may be able to commit more time and energy. If you are one of these individuals, please make the following enhanced commitment:

I, the undersigned, agree to assist the Georgia-Carolina Council Shooting Sports Committee with the continuation and improvement of the year-round shooting sports program within the Georgia-Carolina Council. The purpose of this commitment is to provide the council with resources to help with the shooting sports merit badge program, shooting sports recognition awards (e.g. Venturing Ranger, Sea Scouts Marksmanship Program, etc.) and the year-round shooting sports program offered to Cub Scouts, Scouts BSA, Venturers, Explorers, Sea Scouts, and Learning for Life Scouts within the Council. This agreement is in return for the discounted NRA & USA Archery Instructor Training Course I will be participating in and is the minimum obligation I am undertaking. I understand the importance and the necessity of my participation to assist the Council in a successful year-round shooting sports program.

The terms of this agreement follow:

I will participate in a minimum of two (2) council shooting sports activities per year as well as at least one (1) week of Summer Camp per year for volunteers in and near the GA-CA Council for the next four (4) years. I agree to charge a minimal fee for courses I offer to cover the cost of materials, supplies, and any food and/or lodging required; and I will volunteer my time free of charge. Charges for these training sessions must be approved by the Council and/or the Council Shooting Sports Committee. Help recruit at least two (2) additional Instructors / RSOs per year to help promote the Shooting Sports Program within the council and assist with shooting sports activities.

Attend, at a minimum, one (1) Shooting Sports Committee meeting each year.

I understand this is a voluntary commitment to Scouts BSA and that I am willing to fulfill this obligation to Scouts BSA, the NRA, and USA Archery for the training which I have or will participate in. I am dedicated to helping generate interest in shooting sports in the youth of America by giving back to Scouting.

I will volunteer my time and experience for a minimum of four (4) years.
